

Bless Leeds 2021

**Prayer walking our streets
23rd May to 21st September**

It's been said that Jesus changed the world at 3 miles per hour because He walked everywhere, and as He walked, He talked, prayed, healed, encouraged and blessed.

As part of Bless Leeds 21, why not join together with Christians from across Leeds and the LS postcodes, to walk your street and neighbourhood over the summer months of 2021?

As you walk, you can pray for and bless the people you see and meet, the homes, schools, businesses and other places you pass. You can walk by yourself, in pairs or groups (restrictions dependent), with people from your church or with other followers of Jesus, as little or as often as you wish.

1 Timothy 2: I urge you, first of all, to pray for all people. Ask God to help them; intercede on their behalf, and give thanks for them. Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity. This is good and pleases God our Saviour, who wants everyone to be saved and to understand the truth.

We'd love you to join us as we cover the city and the surrounding areas in prayer and connect with God's love and purposes for the people who live, study and work here.

There will be an App available to download, covering all LS postcodes, where you can map the streets you have walked and see what others have done. Streets that have been prayed for will turn to gold!

From the 23rd of May, you can download the App from our web page on the Leeds Christian Community Trust (LCCT) website.**
